RE: PUBLIC RECORD REQUEST REGARDING "ANONYMOUS + GENERAL HACKTIVISTS 2009 – 2018"

This is in response to your request, which was received on May 30, 2019.

Oregon State Police has conducted a search and has identified no responsive records. It is possible that The Department has emails responsive to your request; however we consider your request overly broad in that it does not give sufficient information to conduct a reasonable search of our email server.

Sincerely,

Holly Bolton
